

# Our Powerful Reality

With your Intent, you Cast  
With your Desire, you Catch  
With your Actions, you Reel In

Everything is an Information Field in one form  
or another

Consciousness is an Information Field that we  
are a part of, immersed in and interact with

Consciousness is a Creative Force and a  
Reflector

There is a Life Force which is an Energy  
Source that we are connected to

We live in a Holographic Reality where the  
whole exists in every part

Our Reality is Fractal in Nature and a change  
in one part has an effect on the whole

When you begin to understand our true  
reality, the power that we have begins to  
make a lot more sense
