

Working Between 2 Worlds

Imaginal Realm

The Imaginal Realm is the foundational basis of our reality and is a world we get to create in before it can appear in our physical reality

Imagination

Our Imagination is a tool which we use to create in the Imaginal Realm

Thoughts

Our Thoughts can determine whether we develop a positive or negative outlook

Words

Words are what we use to weave the fabric of our reality

Actions

Our Actions determine the physical reality we create

Physical Reality

The Imaginal Realm is implicitly entwined with our physical reality
